

# Information on the application procedures for TUT Recommended Candidates of Japanese Government (MEXT) Scholarship 2025 (University Recommendation, **General**)

◆ In addition to this document, there is an “Application Guidelines”. Please be sure to read it carefully.

## **1. Check application qualification and conditions**

- Check Application Guidelines and Academic Performance Entry Sheet to confirm whether your grade point average is 2.30 (out of 3.00) or above of the most recent academic degree.
- Applicants' nationality is limited to the countries listed in the list.
- Check whether you satisfy other required qualifications and conditions stated in the Application guidelines.

## **2. Find your prospective supervisor**

After confirming that you satisfy all the necessary qualifications and conditions, please look for your prospective supervisor from the Department Information and Faculty Members List and contact them to consult about your research objectives. **You must get a copy of the "Letter of Acceptance" from the supervisor to apply for the scholarship. The template format can be downloaded only by the supervisor.**

The university administration office will not introduce the supervisors to applicants, and it is very important to communicate directly with your supervisor well in advance.

### **[NOTE]**

There are so many inquiries to our faculty members. Please carefully check the field of research, etc., and make polite inquiries to the supervisors you wish to be accepted. Please refrain from sending emails to many faculty members at once.

## **3. Submit application documents**

Send all required documents **by e-mail** to the email address below.
