

APPLICATION PROCEDURES
International Master's Degree Program
(TUT-USM TWINNING PROGRAM)
Graduate School of Engineering
TOYOHASHI UNIVERSITY OF TECHNOLOGY
For the Academic Year 2024

1. Admission Policy for Toyohashi University of Technology

The mission of Toyohashi University of Technology (TUT) is to provide technological education in addition to quality research with the aim of furthering innovation in the science and technological fields. Based on this mission, our Master's Program endeavors to foster global, advanced-level engineers and researchers who are practical, creative and possess leadership skills; pioneers who can contribute to the sustainable development of society and undertake ground-breaking research that leads the next generation of technological advances. We also value social diversity and embrace active collaboration with the local community. Through these efforts, we aim to establish ourselves as a top-class engineering university that is open to the world.

TUT extensively recruits the following types of applicants:

1. Applicants who care for humanity and the environment, and strive to make contributions to both local communities and the global community as a whole
2. Applicants who aspire to acquire expertise in technology and science, and possess the basic academic abilities necessary for that study
3. Applicants with a capacity for independent study, thinking and action as well as the desire to open new horizons in technology and science
