

## Video Letter

### **Toyohashi Tech eNewsletter Video Letter: Through Indonesian Eyes**

This Video Letter was produced by Indonesian Students studying at Toyohashi Tech. There are currently approximately 30 students from Indonesia at Toyohashi Tech. The video shows the wide range of activities of the students including research and education, sports, and culture events. The students describe the facilities and services available for international students including free intensive Japanese course and the Halal menu at the cafeteria. Most of the Indonesian students at Toyohashi Tech are on scholarships from either the Indonesian or Japanese governments.
